

REVOLUTIONARY UNITY

No oppressed group has ever been liberated except by its own organized efforts to overthrow its oppressors. A society based on radical democracy, with power exercised through people's organizations, requires a socialist transformation from below.

People's organizations cannot be created by legislation, nor can they spring into being only on the eve of a revolution....

The process of struggle profoundly shapes the ends achieved. Our tactics in the struggle for radical democratic change reflect our ultimate goal of a society founded on principles of egalitarian, non-exploitative and non-violent relations among all people and between all peoples.
